“Lords Reign During the Middle Ages”

If I could choose to be a person who lived during the Middle Ages, I would choose to be a lord. First of all, I would choose to be a lord because the lord was in control of the land and people around him. In addition, the lord taxed the serfs and townspeople and used this money to build his castle, organize his army of knights, and protect the land that belonged to him. Lastly, lords also enjoyed privileges that other groups did not during the Middle Ages, such as learning to read and write and playing musical instruments. It would be best to be a lord during the Middle Ages because lords were on top.
