Habitats Flip Book Introduction

This Habitats Flip Book contains images that accompany the Teacher Guide for Habitats. The images are in sequential order. Each image is identified by its lesson number, and the number of the image within the particular read-aloud. For example, the first image in Read-Aloud 1 is numbered 1-1. Once you have worked your way through the book to the last page, you will flip the entire book over to view the second half of the images.

Depending on your classroom configuration, you may need to have students sit closer to the Flip Book in order to see the images clearly.

To helpers named and unnamed we are deeply grateful.
