This workbook contains worksheets which accompany many of the lessons from the Teacher Guide for Unit 4. Each worksheet is identified by the lesson number in which it is used. The worksheets in this book do not include written instructions for students because the instructions would have words that are not decodable. Teachers will explain these worksheets to the students orally, using the instructions in the teacher guides. The workbook is a student component, which means each student should have a workbook.

Dear Family Member,

Your child is learning to read words printed in lowercase letters by saying individual sounds and blending them to read a word. Listed below are words your child should be able to read with practice. Please help your child cut out the word cards. Show the cards to your child and have him or her read them. Encourage your child to read the whole word at once.

The process of blending sounds to read words is challenging. If necessary, assist your child by saying the individual sounds and have your child repeat the sounds after you. Ask your child to say the whole word, i.e., to blend the sounds into a word.

Your child may practice letter formation by copying the words on another sheet of paper.

Please retain these cards in addition to the previous cards for future practice.

Dear Family Member,

Help your child cut out the letter cards. Show the cards to your child and have him or her say the sounds, not the letter names. Here are some words beginning with these sounds to help you: fin, pin, hat, van, at, so, zoo, it.

Extension: Arrange the cards to make the words “fin,” “pin,” “nap,” “van,” “fan,” “pan,” “hip,” “sip,” “sap,” “zip,” and “zap” and have your child blend and read the words. Extension: Say one of the words listed above and ask your child to try and spell the word by selecting and arranging letter cards. Note that this is a challenging assignment at this point; you may need to say the word sound by sound and help your child with the spelling.
Directions: Have students trace and copy the letters and words. The motion for 'e' can be described as 1. short line across, 2. most of a circle to the left. The student should say the sound as he or she writes the letter.

Record Sheet for Unit 4 Word Reading

Place a check next to each word read correctly. For misread words, write exactly what students say as they sound out the word. If a student misreads a word, prompt him or her to try to read the word again, letting him or her know that the first attempt was incorrect.
