

CKLA Unit 10 [“A New Nation”](#)**Strand** Listening & Learning**Grade** 1**Activity** Journey to the New World Notes & Writing Task**ACTIVITY DESCRIPTION**

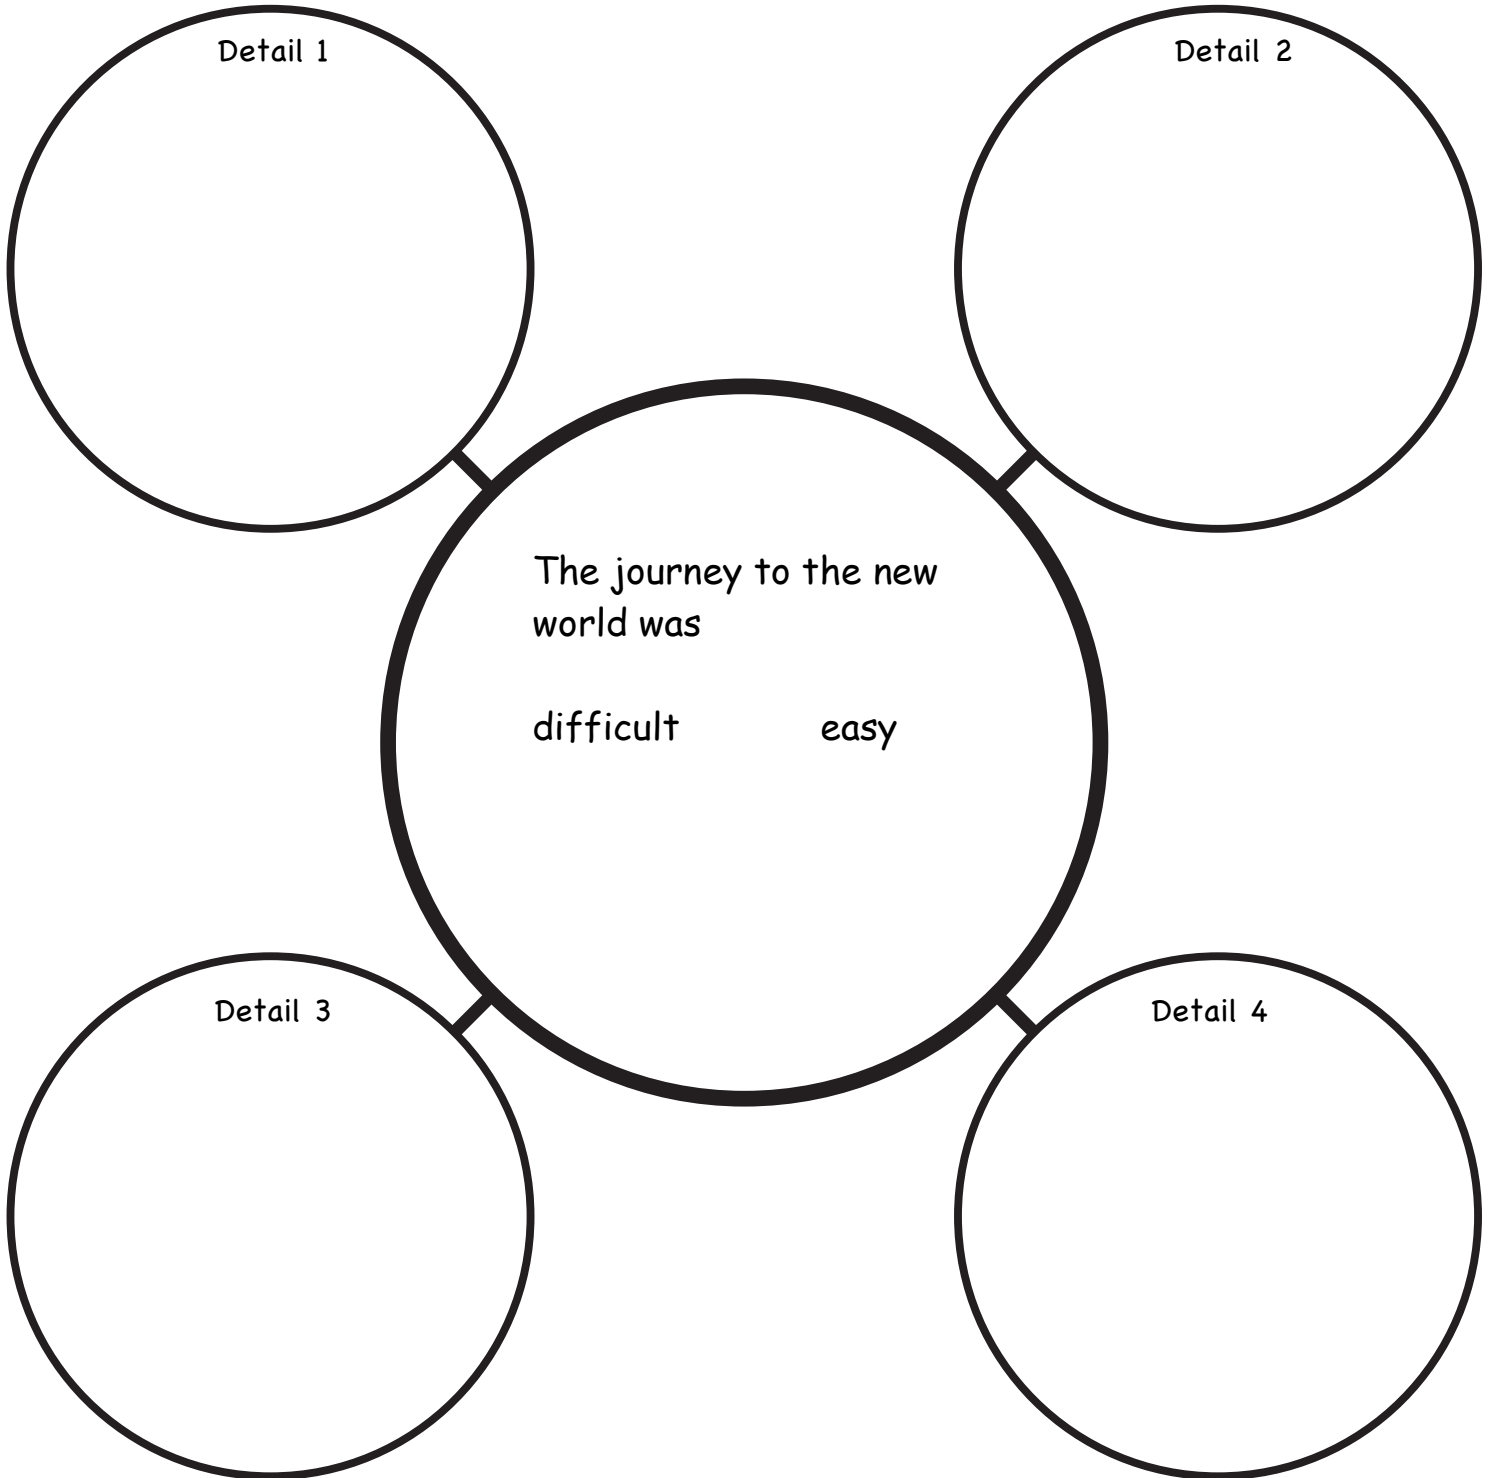

These activities were designed to be used in conjunction with Core Knowledge Language Arts (CKLA) grade 1, unit 10, Lesson 1. For more information about CKLA, click [here](#).

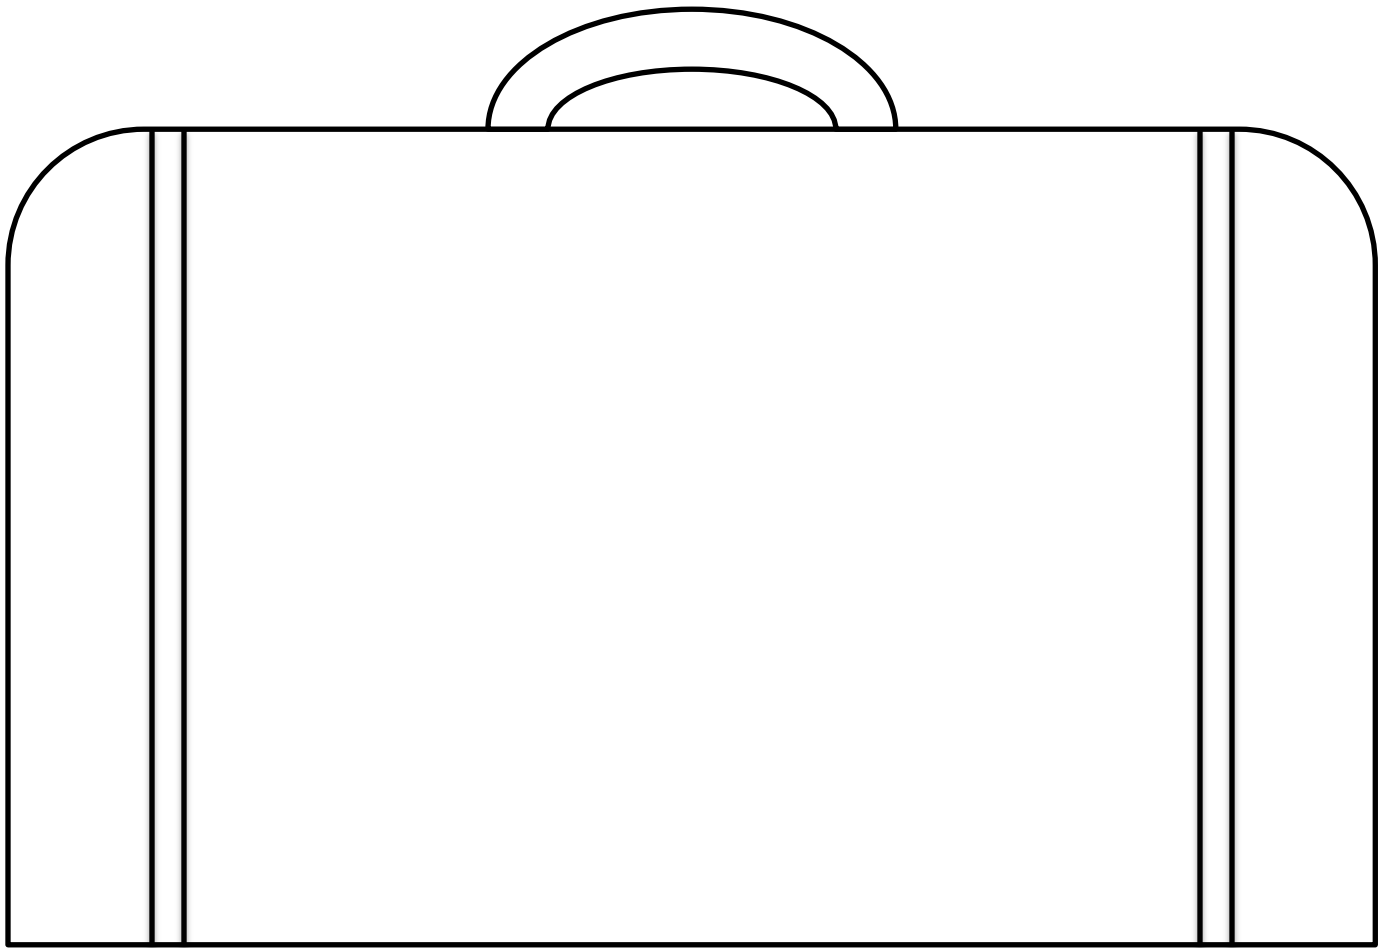

The **notes graphic organizer** supports students with capturing details (e.g., drawing or writing) about the English colonists’ journey to the New World. These notes will aid students with determining whether or not the trip was easy or difficult. Teachers may wish to periodically pause during the read aloud and provide students with time to do a quick write.

The **writing task** was designed to aid students with putting themselves in the shoes of the English colonists making their journey to the New World. The task asks students to consider what they would bring on this journey as well as write a rationale as to why.

Name: _____
