VS.

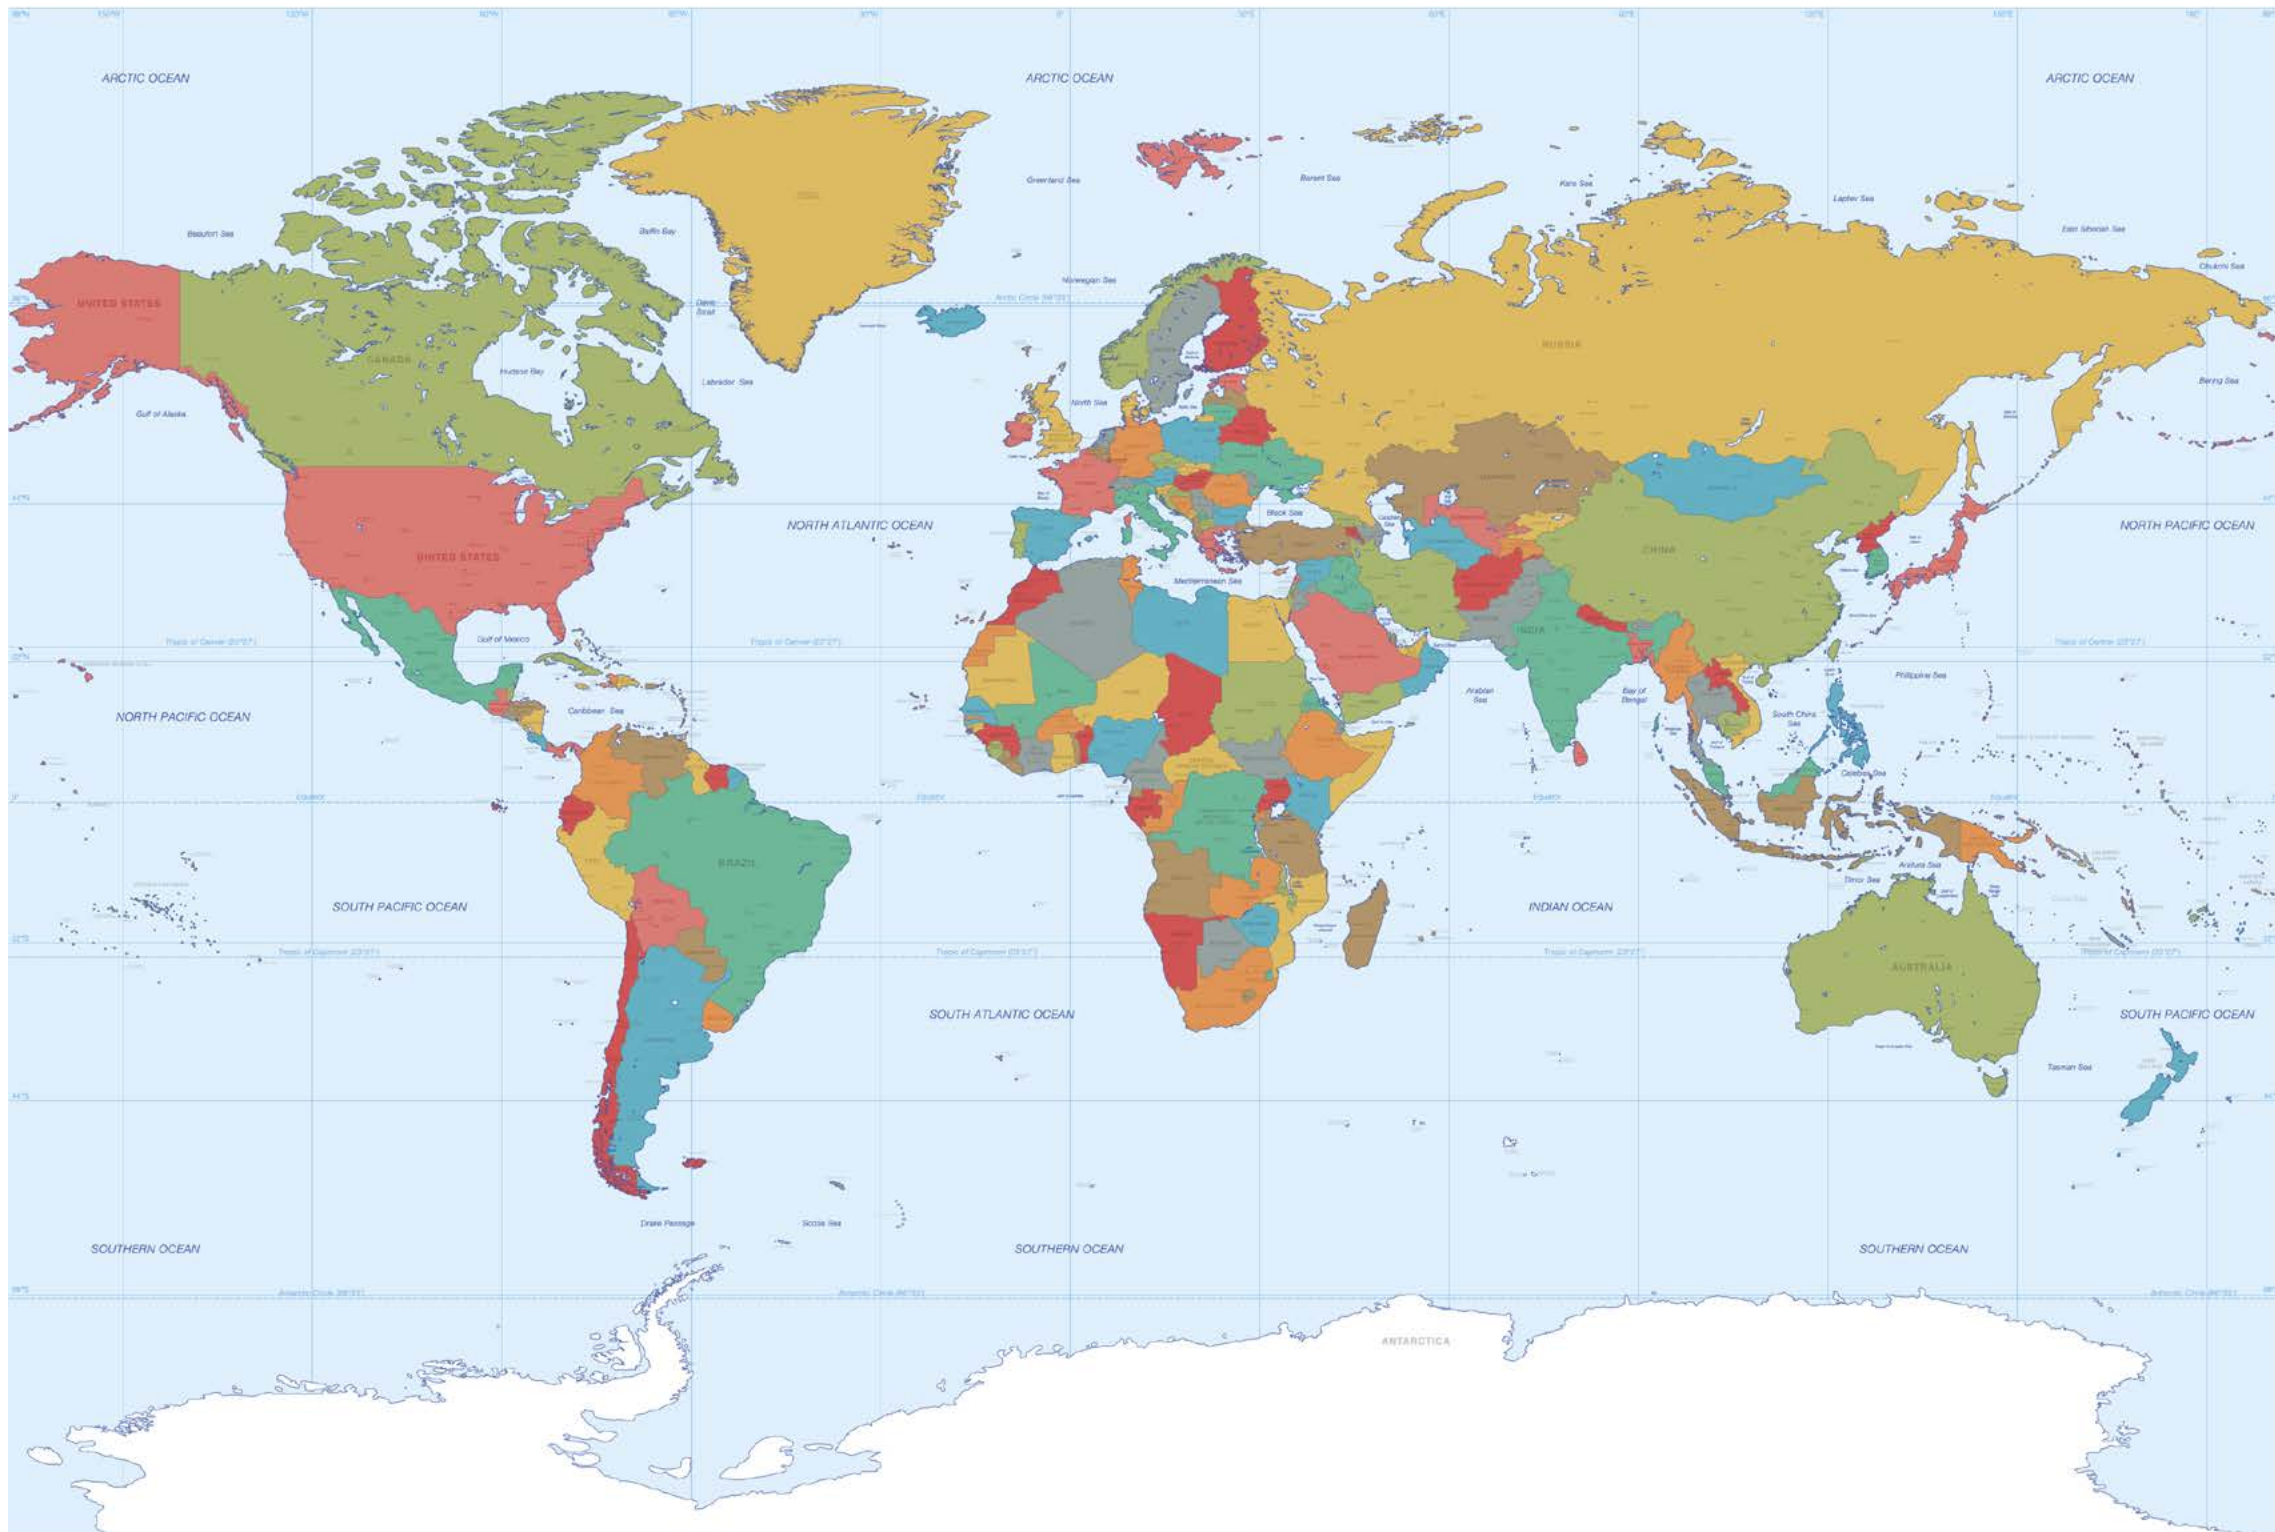

- 1 When I heard the learn'd astronomer,
- 2 When the proofs, the figures, were ranged in columns  
before me,
- 3 When I was shown the charts and diagrams, to add, divide,  
and measure them,
- 4 When I sitting heard the astronomer where he lectured with  
much applause in the lecture-room,

- 1 When I heard the learn'd astronomer,
- 2 When the proofs, the figures, were ranged in columns  
before me,
- 3 When I was shown the charts and diagrams, to add, divide,  
and measure them,
- 4 When I sitting heard the astronomer where he lectured with  
much applause in the lecture-room,
- 5 How soon unaccountable I became tired and sick,
- 6 Till rising and gliding out I wander'd off by myself,
- 7 In the mystical moist night-air, and from time to time,
- 8 Look'd up in perfect silence at the stars.
