Lyrics of “**Listening**” from Core Knowledge Social Skills CD:

My eyes are looking forward,
My hands are in my lap,
My mouth is closed,
I put on my thinking cap.
My eyes are looking forward,
My hands are in my lap,
My mouth is closed like that—
Shhhh!

Look at me with your eyes.
I can see you’re listening.
Fold your hands in your lap
And open up your ears.

Chorus

French fries-forward eyes!
Snip snap-hands in lap!
North South-closed mouth!
Cheers, cheers-open ears!

Chorus
