

The Instructional Day Charts for CKHG provide recommended instructional-day ranges for each unit. Designed to support flexible implementation, these ranges allow educators to adjust pacing based on their schedules and students' learning needs. The minimum-day recommendation is intended for classrooms that spend fewer than 30 minutes per day on CKHG instruction or do not teach CKHG daily.

GRADE	UNIT TITLES	MINIMUM DAYS	MAXIMUM DAYS
K	Unit 1: <i>Let's Explore Our World!</i>	20	30
