CK Voices in History™ Series

Cross Curriculum Connections

Titles align directly with curriculum materials in the corresponding grade and/or the *Core Knowledge Sequence for Preschool–Grade 8*. These titles can be used to make content connections at the designated grade level.

While the books can be read by strong readers aged 8 and up, we recommend that titles that align with grades 2 and 3 curriculum materials be used in the classroom as a read-aloud resource. Titles that align across grades 4 and up can be used for independent reading.

Note: CKLA alignment may differ depending on the CKLA version being used.
